Family Medicine Center Community Resource Book

2012-2013

This resource book has been created for the use of the community of Augusta and Richmond County. Included are available services for health department clinics, low cost clinics for uninsured patients, medication assistance, transportation, mental health and substance abuse, elder care and dementia, emergency and hotline services, urgent care centers, family planning and pregnancy, and medical supplies. In addition to physical therapy and rehabilitation, homeless shelters assistance and low income housing, hospice care, children and youth services, clothing, furniture, appliances, and household goods, dental care, food pantries, job search and literacy training, dialysis facilities, support groups and organizations, veterans, and educational websites. *Information is not copyrighted and may be reprinted.*

Acknowledgements

This book has been prepared for you by Department of Family Medicine at the Medical College of Georgia, Adriana Pratt, MD and Ruth George, MD, FACS third year residents in the department. This guide was prepared under the direction of Janis Coffin, DO, FAAFP Medical Director, Family Medicine Center and Associate Professor and Jacqueline DuBose, MD Associate Director, Resident Educational Programs and Assistant Professor with the Department of Family Medicine at GHSU.

The printing of the book was funded by Health Resources and Services Administration (HRSA), Residency Training in Primary Care grant, number D58HP23219.

Updates

It is our hope to update this guide annually to ensure that the information is accurate and up to date; however if you find a broken link, a number that is no longer in service, or a listing that is no longer provided, please let us know. You can submit updates and additional information to:
