

**Marvin United Methodist Church**  
**Directory 1985**

It is said that the Bedouin people of the middle east fear having their photograph made; they fear that a device which captures one's image will also capture one's soul. While I am sure all the people pictured here still retain their souls, in these pages we see the soul of Marvin Church depicted in the faces of her people. The soul seen here is one of love, joy, peace, patience, kindness, goodness, trustfulness, gentleness, and self-control. Woven together by the Holy Spirit, these people are the body of Christ.

I wish to thank everyone who worked so diligently to prepare this directory. I appreciate everyone who had their portrait made.

May we always be "joined" in heart and hope to meet above!"

In His Love,

**HISTORY  
OF  
MARVIN UNITED  
METHODIST CHURCH**

Marvin United Methodist Church had its origin in 1891, from a 'Brush-Arbor' Revival conducted by the Reverends W. S. Stevens and W. I. Delph. The Church was organized that same year in a school-house on Belair Road with thirty-nine charter members.

Land for the first structure was donated by Captain Samuel Mays, at the intersection of Wheeler and Belair Roads.

The building, erected largely by the members, was dedicated in 1893, and named in honor of Bishop Enoch M. Marvin. The Reverend Robert Toombs DuBose was the first pastor.

In 1927, a Church School Annex was added to the original building. That same year Marvin was placed on the Grovetown Circuit and had part ownership in a parsonage in Grovetown.

Plans were made in 1950, to construct a new building to meet the increasing growth. The new structure, to be located across the road from the original site and facing Wheeler Road, would be constructed of grey granite and placed on land given by Mr. C. N. Nichols. The three stained glass windows from the original church building were used on the front of this new structure.

In 1951, Marvin became a Half-Station with Pierce Memorial United Methodist Church and a new parsonage was built on Jackson Road adjoining their church property. In 1952, Marvin became a full-time Church or Station.

Portions of the original church building were utilized in the erection of a new parsonage, directly in front of the new edifice under construction, on a plot of land donated by Mr. Henry Wilkerson. It was completed in 1953, with the first residents being Reverend and Mrs. C. T. Weathers.

In 1955, the new church building planned in 1950, was completed. The first service in the new sanctuary was held on Easter Sunday with Reverend Weathers as pastor. Furnishings for the new church were donated by members in memory of or in honor of loved ones.

A new parsonage located at 4181 Wheeler Road, was purchased in 1972.

Early in 1979, approximately an acre and a half adjoining the church property on the Northwest was purchased for expansion, and on October 7, 1979, a ground-breaking ceremony for a new Family Life Ministry Center was held. A consecration service for the new building, attended by Bishop Joel D. McDavid, Dr. Charles E. Hoover, Superintendent of Augusta District, and Reverend William G. Griffin, Jr., pastor at that time, was observed on November 2, 1980.
