CHURCH SERVICES NEEDED

- Pastor**
Methodist pastors conduct marriage-preparation counseling for a minimum of three sessions with the bride and groom together. These sessions should be scheduled as soon as wedding planning begins. If clergy other than Marvin's pastor is to preside, our pastor must talk with that person before rental of our facility. Non-members should pay reasonable fee for pastor's services.
- Pianist**
Arrangements may be made with Church Music Director. Services are priced and paid directly to the pianist.
- Soloist**
Arrangements may be made with Church Music Director. Services are priced and paid directly to the soloist.
- Sound system tech**
Arrangements are made through Church Music Director so that all efforts are coordinated. However, services are priced and paid directly to the Tech.
